# Anti-Terrorism:

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. To process the Application, we must have your name, street address, date of birth and other identifying information, and we may ask for identifying documents from you as well.

### **State Laws Require the Following Notices:**

California Residents: A married applicant may apply for a separate account. After approval, each applicant shall have the right to use this account to the extent of the credit limit set by the creditor and each applicant may be liable for the amount extended under this account to any joint applicant. Delaware Residents: Service charges not in excess of those permitted by law will be charged on the outstanding balances from month to month. New York Residents: New York residents may contact the New York State Banking Department at 1-800-518-8866 to obtain a comparative listing of credit card rates, fees and grace periods. Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law. Married Wisconsin Residents: Your signature confirms that this loan obligation is being incurred in the interest of your marriage or family. No provision of any marital property agreement, unilateral statement or court decree adversely affects a creditor's interest unless, prior to the time the credit is granted, the creditor is furnished a copy of the agreement, statement or decree or has actual knowledge of the adverse provision.

### **Applicable Law:**

The above rates and fees are governed, as are your Cardholder Agreement and Account, by the laws and regulations of the State of Iowa, as well as the applicable laws and regulations of the United States of America.
